1. Overall Description:

SA2 would like to raise the issue on responsibility for the OSA Stage 2 specification, TS 23.127

The following must be noted:

- No resources are available any longer within 3GPP SA2 with competence on the issues as described in the OSA Stage 2
- No activities have taken place on the specification of TS 23.127 since December 2002.

Considering these facts, SA2 would like to propose to transfer the responsibility for the TS 23.127 towards 3GPP TSG CN WG5.

For TSG SA, CN, CN5

ACTION: SA2 kindly asks to endorse the transfer of the TS 23.127 responsibility towards TSG CN WG5
