**Title: Rel 6 Freezing date**

**Document for: Decision**

**Agenda Item: 8.8.**

---

In order to complete 3GPP Rel 6 it is proposed that

3GPP SA#23 sets SA#25 (September 2004) as freezing date for 3GPP Rel 6. Working groups should work toward that date. Deliberate exceptions shall be granted at SA#25 on status of work on an individual basis.
