

3GPP TSG SA WG3 Security — S3#19

S3-010375

3 - 6 July, 2001

London, UK

From: SA3

To: S5

Title: WID on User Equipment (UE) Management (Feature)

Contact: mike.walker@vodafone.com

TSG SA WG3 (Security) thank S5 for their LS on their proposed WI on User Equipment Management (S3-010308). S3 would appreciate visibility of the work so that it can undertake a security evaluation. To this end we will keep the topic as a standing item on our agenda until your feasibility study is complete.
