**Packet Technologies and
Systems Committee
(PTSC)**

**RE: LS to 3GPP SA3 on re-use of non-UICC credentials as a
mechanism for Single Sign On to applications**

Martin Dolly
PTSC Chair
mdolly@att.com

Greetings,

Viqar Shaikh
PTSC Vice Chair
vshaikh@telcordia.com

This liaison is to inform you that ATIS PTSC has initiated work activities in support of the re-use of non-UICC credentials (e.g., SIP Digest credentials) to facilitate SSO to applications.

Steve Barclay
ATIS Director, Standards
Development
+1 202-434-8832
sbarclay@atis.org

ATIS PTSC is interested in 3GPP SA3 work and coordinated efforts in this area, and would appreciate you apprising us of your progress.

Regards,

Martin Dolly
ATIS PTSC Chair
