Subject: Nomination and support for 3GPP CT WG4 Vice Chairman Candidate

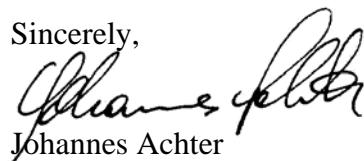

Dear Susanna, dear Kimmo!

On behalf of Deutsche Telekom AG, member of 3GPP through ETSI, I am pleased to announce that Yvette Koza will stand as a candidate for the upcoming election to the post of vice-chairman of 3GPP Technical Specification Group Core Network and Terminals Working Group 4 (3GPP TSG WG CT4) during the CT WGs meetings, 12 to 16 November 2012 in New Orleans/US.

Yvette has been involved in 3GPP for many years as Deutsche Telekom delegate. During that time she has been regularly and actively participating in 3GPP TSG CT WG4. She has demonstrated her leadership qualities in the scope of activities leading discussions as well as chairing teleconferences. She has contributed in various topics, i.e. SAE /LTE, IMS, Subscriber Data handling and protocols.

If elected Yvette will provide full support for the Chairman and will commit to ensure and progress the work that CT4 has been presented with in a fair and correct manner. Deutsche Telekom will provide Yvette with all the support she needs in order to perform the role effectively, as part of Deutsche Telekom's commitment to 3GPP.

Sincerely,

Johannes Achter

Deutsche Telekom
VP International Standardisation

Rennweg 97-99
1030 Vienna

Short Curriculum Vitae of Yvette Koza

Yvette currently works for Deutsche Telekom as Standards Expert in the International Standardization & IPR management department. Her responsibility beside the standardization work in 3GPP Core Network and Terminals Working Group 4 (3GPP TSG WG CT4) encompasses project management and coordination of standards and business strategy. Yvette has experience of more than 14 years in telecommunication.
