

Nomination of Mr. Guillaume Sébire as 3GPP TSG GERAN WG2 Chairman candidate

April 30th, 2009

Dear Sir / Madam,

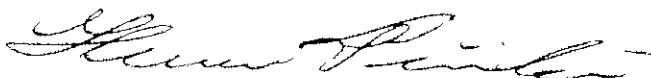

As an indication of strong continued commitment to 3GPP TSG GERAN, Nokia nominates Mr. Guillaume Sébire (Nokia Corporation, ETSI) as candidate for 3GPP TSG GERAN WG2 Chairman in May 2009.

Guillaume Sébire was born in August 1975 in Bayeux, France. He graduated from the Ecole Nationale Supérieure de Sciences Appliquées et de Technologie (ENSSAT), University of Rennes II in September 1997; Guillaume holds an MSc in Electronics and Computer Engineering, specialized in Embedded Systems. Guillaume joined Nokia in May 1997 and has been working in Nokia Research Center's Radio Communications laboratory, Nokia Wireless Platforms unit, Nokia Product Platforms unit and Nokia Devices, Wireless Modem.

Guillaume started attending SMG2 standardization in March 1999 and has regularly and actively participated SMG2 (and SMG2EDGE) and 3GPP TSG GERAN ever since. Guillaume has strongly contributed to the elaboration and evolution of the GSM/EDGE standard on a wide range of technical topics. At multiple occasions Guillaume has shown willingness to help the group achieve its targets through volunteering to act as secretary or chairman of SMG2/TSG GERAN workshops and ad-hoc meetings. In April 2005, Guillaume was elected TSG GERAN Vice Chairman, and TSG GERAN Working Group 2 Chairman. Guillaume was re-elected TSG GERAN Working Group 2 Chairman in May 2007.

If elected, Guillaume promises to continue taking the full responsibilities of his role as TSG GERAN WG2 Chairman and to continue chairing the group in a fair, unbiased and efficient manner. Nokia will provide him with all the resources required for this position.

With Kind Regards,

Hannu Pirlä
Director of 3GPP standardisation
