Subject: Nomination of candidate for the 3GPP TSG RAN Chairman

Dear Ms. Kooistra and Mr. Krause:

I am pleased to inform you that Qualcomm, through its ATIS 3GPP affiliation, is nominating Dino Flore as a candidate for the position of 3GPP TSG RAN Chairman at the upcoming election in RAN#67.

In proposing Dino Flore for the position of 3GPP TSG RAN Chairman, Qualcomm remains fully committed to the success of 3GPP and its diverse ecosystem.

Dino Flore is informed about and aware of the antitrust/competition laws and regulations of the relevant jurisdictions and will comply with such laws while acting in his capacity of 3GPP TSG RAN Chairman.

A brief curriculum vitae of Dino Flore is attached.

Best Regards,

Edward G. Tiedemann, Jr.
Senior Vice-President, Engineering
QUALCOMM Technologies, Inc.

Dino Flore

Dino Flore received a M.S. degree in Electrical Engineering from the *Politecnico di Torino*, Italy and a M.S. degree in Mobile Communications from the *EURECOM Institute*, France, in 2000.

From 2001 to 2003 he worked at Arraycomm as Senior Research Engineer on smart antenna technology. In 2003 Dino joined Qualcomm where he is currently serving as a Senior Director of Technical Standards, with a leadership role in the area of 3GPP RAN standardization.

Since 2005 Dino has contributed to the design, development and specification of 3G and LTE systems in 3GPP. From August 2009 to May 2013 he has served as Chairman of 3GPP RAN WG3. In March 2013 he was elected Chairman of 3GPP RAN.
