Nomination of Dr. Nan HU for 3GPP TSG RAN Vice Chairman

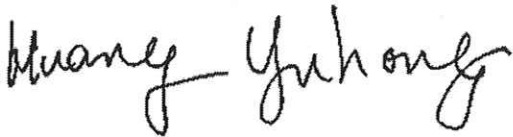

Dear Madam/Sir,

As an indication of continued commitment to 3GPP and RAN, China Mobile Communications Corporation (CMCC, as CCSA member) is pleased to nominate Dr. Nan Hu as candidate for the 3GPP TSG RAN Vice Chairman election taking place in March 2023.

Dr. Hu joined China Mobile after receiving his Ph.D. from BUPT in 2008. He has spent 14 years working on wireless communication technologies research, including 5G, LTE, WLAN, WiMAX, TD-SCDMA and SC-DMA.

Since the beginning of 2010, Dr. Hu has been attending 3GPP RAN2 meetings. He focuses on L2/L3 standardization to fulfil operator's requirement from network operation and development, as well as achieving effective solutions for standardization with global operators and vendors. He has made substantial contributions to the RAN2 community on CA, SON/MDT, IDC, MFBI, DC and other topics. From 08/2015 to 08/2019, Dr. Hu participated and chaired RAN2 parallel sessions as the RAN2 Vice Chairman. From 03/2021 until now, Dr. Hu has served as RAN Vice Chairman for the 1<sup>st</sup> term.

CMCC is fully committed to support Dr. Nan Hu as a candidate of 3GPP TSG RAN Vice Chairman for the 2<sup>nd</sup> term. We also promise that Dr. Nan Hu will be trained to comply with all applicable antitrust/competition laws and regulations while acting in his capacity as RAN Vice Chairman.

Best regards,

Yuhong Huang

General Manager, China Mobile Research Institute
