Ms. Susanna Kooistra and Mr. Patrick Merias  
3GPP Mobile Competence Centre

**Subject: Nomination of Candidate for 3GPP TSG RAN WG1 Chairman**

Dear Susanna and Patrick:

Samsung is pleased to nominate Dr. Juho Lee as candidate for the Chairmanship of 3GPP TSG RAN WG1. Dr. Lee belongs to Samsung Electronics Co., Ltd, a member of TTA.

Dr. Lee joined Samsung Electronics in 2000 after receiving Ph. D. degree in electrical engineering from Korea Advanced Institute of Science and Technology (KAIST) and has been leading Samsung's activity in 3GPP TSG RAN WG1 since October 2000. He has also been participating in TSG RAN plenary meetings since September 2003.

Since October 2000, Dr. Lee has been actively contributing to the standardization of a wide range of features including HSDPA, MBMS, FDD Enhanced Uplink, HSPA evolution, Long Term Evolution (LTE), and LTE-Advanced. He served as a vice chairman of RAN WG1 from February 2003 to August 2009 and chaired LTE MIMO sessions from October 2005 to August 2009. In many occasions, Dr. Lee showed leadership and perseverance in harmonizing the different views of member companies. In addition to his successful chairing of the MIMO sessions, he also served as the study item and work item rapporteur for Coordinated Multi-Point (CoMP) which was recently specified in Rel-11. We believe that Dr. Lee is well qualified both in terms of technical knowledge and in terms of leadership skills.

Samsung is fully committed to support Dr. Juho Lee in his task as Chairman of 3GPP TSG RAN WG1 to ensure that he can be a fair and effective Chairman. Attached is a brief curriculum vitae of Dr. Lee.

Best Regards,

ChangYeong Kim

Executive Vice President
