Subject:	Nomination of Candidate for 3GPP TSG RAN WG3 Vice Chairmen

Ericsson is delighted to announce the nomination of Mr. Martin Israelsson as a candidate for the Vice Chairmanship of 3GPP TSG RAN WG3. Martin is representing Telefon AB LM Ericsson, a member of ETSI.

Martin graduated 1980 from Uppsala Tekniska Högskola (Sweden) with a Master of Science in Engineering physics, and has been working for Ericsson in Sweden since 1980. During 1980 – 1995 he mainly worked with SW design and requirements for the MD110 (PBX), seven years as a manger for a design group.
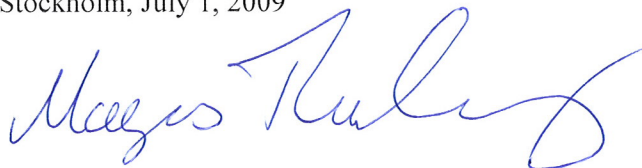

Martin started to work with QSIG standardisation in ECMA TC32-TG14 in 1990, and acted as chairman for ECMA TC32-TG14 between 1995 and 1999.

Martin participated in QSIG standardisation work also in ISO/IEC SC6/WG6 between 1996 and 1999. Was editor for some of the QSIG Mobility Standards and occasionally chaired the signalling SWG meetings.

Since December 1999, Martin has been actively involved in WCDMA/HSPA and LTE standardisation in 3GPP TSG RAN WG3 and 3GPP TSG RAN. He also served as chairman for 3GPP TSG RAN WG3 between March 2001 and March 2003.

Ericsson is fully committed to support Martin in his tasks as the Vice Chairman of 3GPP TSG RAN WG3.
