Re: *Nomination of candidate for 3GPP TSG RAN WG4 Vice Chairman*

Dear Susanna and Patrick:

Ericsson is delighted to announce the nomination of Dr. Imadur Rahman as candidate for Vice Chairman in 3GPP TSG RAN WG4. Imadur is representing Ericsson LM, a member of ETSI.

Dr. Imadur Rahman holds B.Eng. in Electronics (2000) from Multimedia University Malaysia, MSc in Radio Communications (2003) from Helsinki University of Technology, Finland and PhD in Wireless communications (2007) from Aalborg University Denmark. In 2007, he was an assistant professor in Aalborg University Denmark. Since 2008, he has been with Radio department of Ericsson Research, Stockholm, Sweden. He has a total of 17 years of research, standardization and teaching experience (including 11 years with Ericsson Research, Stockholm, Sweden) in PHY and MAC layer issues of wireless digital communications, link and system level evaluations of radio communication systems including wireless modem and base stations and on topics, e.g. multiple access techniques, channelization, duplexing techniques, link adaptation, radio resource allocations, multi-carrier (OFDM/OFDMA) systems and MIMO diversity, multiplexing and beamforming techniques, spectrum sharing and cognitive radio, inter-RAT coexistence, small cells, dynamic TDD, millimeter wave systems, 3GPP systems in license-exempt scenarios, etc.

Imadur is an active 3GPP delegate since 2013 and participated in BS RF, UE RF and RRM sessions in RAN4 for LTE and NR standardization since release 11. He has been the RAN4 Rapporteur/coordinator for Licensed Assisted Access (LAA/eLAA) study and work items, Multi-node Testing for LAA and a number CA WIs in RAN4. He also has extensive experience in other standardization fora: e.g., CEPT SE & FM, ETSI BRAN, IEEE. He has also co-authored 2 books, 3 book chapters and around 45 IEEE conference and journal articles.

As a candidate for TSG RAN WG4 Vice Chairman, Imadur has been informed about and is aware of the applicable antitrust/competition laws and regulations and he shall comply with such laws while acting in his capacity as Vice Chairman.

Ericsson is fully committed to supporting Imadur in his tasks as Vice Chairman of 3GPP TSG RAN WG4.

Sincerely,

Erik Ekudden

CTO and Head of Group Function Technology
Ericsson
