Dear Maurice,

On behalf of Orange SA, a member of ETSI, we are pleased to nominate Dr. Xiaobao Chen for the position of 3GPP TSG SA Vice-Chairman in the election during SA#51 in March 2011.

Xiaobao has been working in the telecom and mobile industries for more than twenty years. He has been actively involved in 3GPP and other international standards and industry organisations since 1999, in areas such as QoS, IMS, I-WLAN and Mobility, LTE/EPC, M2M, IMB/eMBMS, IPv4 & IPv6 and IP Mobility. Xiaobao currently attend 3GPP TSG SA, and previously attended SA2.

If elected, Xiaobao will act in the interest of 3GPP community with impartiality and integrity, giving support to the TSG SA Chairman and ensuring the efficient and successful running of TSG SA meetings and its related activities.

Orange SA will provide Xiaobao with all the necessary support to fulfil the Vice-Chair commitments, including allocated time and travel arrangements.

Yours sincerely,
