FUJITSU

Ms. Susanna Kooistra
Mr. Maurice Pope
3GPP Mobile Competence Centre
650, Route Des Lucioles,
06921 Sophia Antipolis,
France

18th January 2011

Dear Susanna and Maurice,

On behalf of FUJITSU LTD., a TTC Member, I am pleasure to announce that Mr. Akishige Noda stand as a candidate for the position of TSG SA Vice Chairman.

Mr. Noda has been an active participant in TSG SA as well as SA1, SA2 and TSG CT since 1999, he held the position as vice-chairman of SA2, and as vice-chairman of TSG CT. For the past two years Mr. Noda has been vice-chairman of TSG SA. In addition, Mr. Noda has been the chairman of the 3GPP Working Group in TTC.

FUJITSU is fully committed to the 3GPP standardization work and recognizes the 3GPP activities are most important and essential key to future mobile communication and services. In view of this, FUJITSU believes that Mr. Noda has the experience and the technical skill required to full support for Chairman of TSG SA and 3GPP activities.

If elected, FUJITSU will provide the support required for Mr. Noda to accomplish the duties and responsibilities for this office.

Yours sincerely,

Tango Matsumoto
President, Business Planning & Development Unit,
Network Business Group,
FUJITSU LTD.

FUJITSU
