

**To: Ms Susanna Kooistra, Mr Maurice Pope (MCC),
3GPP TSG-SA Membership**

From: Ulrich Dropmann, Head of Industry Environment, Nokia Siemens Networks

Re: Nomination for 3GPP TSG-SA Chairman position

Dear Susanna, Maurice, TSG-SA Members,

Nokia Siemens Networks (ETSI member) is pleased to nominate Mr. Balázs Bertényi for a second term for the position of Chairman of 3GPP TSG-SA.

For the last 2 years Balázs has served as the chairman of TSG-SA. We believe he would be able to successfully continue his service to 3GPP and lead the group through the challenges ahead.

Balázs has been an active participant in 3GPP for more than 12 years undertaking work in SA WG2 on several different key areas. From 2007-2011 he held the chairman position of SA WG2.

Balázs joined Nokia in 1998 after graduating from the Technical University of Budapest as an M.Sc (Telecommunications Engineering and Computer Science). He has worked in several different projects within Nokia and then in Nokia Siemens Networks across the GPRS, EPC and IMS core.

Nokia Siemens Networks is committed to the 3GPP standards process and to maintain the efficient progress of TSG-SA, in particular.

If elected, Nokia Siemens Networks shall provide all the necessary support for Balázs to continue undertaking his 3GPP TSG SA chairmanship successfully.

Best Regards,
