Subject: Nomination of candidate for the 3GPP TSG SA Chairman

Dear Ms. Kooistra and Mr. Pope:

I am pleased to inform you that Qualcomm Incorporated, through its ATIS 3GPP affiliation, is nominating Mr. Eddy Hall as candidate for the position of 3GPP TSG SA Chairman in the upcoming election at SA#83.

Mr. Hall is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions and, if elected, he shall comply with such laws while acting in his capacity as TSG SA Chairman.

In proposing Mr. Hall for the position of 3GPP TSG SA Chairman, Qualcomm remains fully committed to the success of 3GPP and its diverse ecosystem.

A brief curriculum vitae of Mr. Hall is attached.

Best Regards,

A handwritten signature in black ink, reading "Edward G. Tiedemann, Jr.", with a stylized flourish at the end.

Dr. Edward G. Tiedemann, Jr.  
Senior Vice-President, Engineering

## **Eddy Hall**

Mr. Eddy Hall is a graduate of the University of Bristol, UK, receiving a BEng degree in Electronic and Communications Engineering in 2002.

Eddy joined Vodafone Group in 2002 and joined the Vodafone Group standards team in 2003 to attend 3GPP. After initially working on Release 6 in RAN3, Eddy started attending SA4 in 2004. Eddy was elected as vice chair of SA4 between 2007 and 2011 and served as chair of the PSM/MBS sub-working group between 2008 and 2013.

Eddy joined Qualcomm in 2011 as part of the Qualcomm Standards and Industry Organization team, attending SA1 from 2013 and SA plenary from 2014. He has spent 5 years contributing to the design, development, and specification of 3GPP services including Proximity Services, Public Warning System, PLMN selection, access control, TV broadcast, V2X, Industrial IoT, services for UAVs, and 5G. Eddy has used his wide breadth of experience across the layers of the 3GPP systems to be a strong voice in the SA plenary community on technical topics and work planning.

In addition to his 3GPP activities Eddy has also attended the MulteFire Alliance, MPEG, and the Open Mobile Alliance where he chaired the Mobile Client Environment (MCE) group.
