Dear Susanna, Alain,

On behalf of Vodafone Group Services Limited, an ETSI member, I am pleased to announce that Dr. Mona Mustapha will stand as a candidate for the position of 3GPP TSG SA WG1 Vice Chairman in the forthcoming TSG elections.

Mona received a PhD in Optical Communications from Cranfield University, UK in 2001. She has more than 9 years of experience in the field of mobile communications working on product development, testing and standardisation. Mona has been involved in 3GPP for over 3 years. During that time, she has been a regular and active member of SA1 since 2008 and RAN2 in 2005/06.

If elected, Mona will provide full support for the Chair and will strive to ensure that the development of the relevant 3GPP Specifications is undertaken in a fair, accurate and diligent manner.

Vodafone will provide Mona with all the support she needs in order to perform the role effectively, should she be elected, as part of the Company's continued commitment to 3GPP.

Yours sincerely,

A handwritten signature in black ink that reads "E. A. J. Boggis".
