Subject: Nomination and Letter of Support for 3GPP TSG SA WG1 Chairman

Dear Susanna and Alain,

On behalf of LG Electronics, a member of TTA, I am pleased to announce that **Dr. Ki-Dong Lee** will stand as a candidate for the position of 3GPP TSG SA WG1 Chairman at the upcoming election in 3GPP TSG SA WG1 #86 meeting, P.R. China, in May 2019.

Since 2007, Ki-Dong has been actively involved in research and standards in the mobile communications area (3GPP, NGMN, IEEE 802, SAE, etc.). As SA1 lead representative of LG Electronics, he has served as Rapporteur of Rel-14 Stage-1 V2X Study and Normative Work and as Work Stream Chair of NGMN V2X Task-Force. Since Nov. 2015, he has been serving TSG SA WG1 as Vice Chairman contributing to productive and effective progress that SA1 has made on the Rel-15 5G Study and Work.

With his R&D experiences and leadership experiences, I am confident that Ki-Dong will continue to bring a very positive influence and contributions to 3GPP TSG SA WG1 as Chairman if elected.

LG Electronics will provide all necessary support for Ki-Dong to perform his activities as a 3GPP TSG SA WG1 Chairman very successfully if elected.

Ki-Dong will be trained to comply with all applicable antitrust/competition laws and regulations while acting in his capacity as Chairman.

Sincerely yours,

Dr. Byoung-Hoon Kim
Head of R&D, Senior Vice President
LG Electronics, Inc.
