Dear Susanna, Dear Maurice,

On behalf of Huawei Technologies Co., Ltd., a CCSA member, I am pleased to nominate Dr. Frank Mademann for the leadership position Chairman of the 3GPP SA2 Working Group in the election during 3GPP SA2#108 in April 2015.

Frank has an extensive background in the area of research, development and standards starting with GSM circuit switched data services back in 1991. Frank has been a key and major contributor to the design and specification of all packet domain architectures and services that were specified by ETSI SMG and 3GPP. This includes GPRS, UMTS and LTE/SAE.

Frank has been working in the telecom and wireless industries for more than twenty years. He has been actively involved in 3GPP SA2 since 1999 and is very well recognized as a key member of this community. He has also been contributing to the leadership and organizational matters of 3GPP SA2. He has proven to fulfill leadership positions impartially and efficiently during his position as SA2 Vice Chairman from 2005 until 2006 and from 2012 till now.

If elected, Frank will act in the best interest of the 3GPP community with impartiality and integrity, ensuring the efficient and successful progress of SA2 meetings and any related activities. Frank is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions and shall comply with such laws while acting in his capacity as SA2 WG Chairman.

Huawei will provide all the necessary support and resources to ensure that Frank accomplishes the duties and responsibilities as the Chairman of the SA2 Working Group.

Yours sincerely,

Wan Lei
