Dear Susanna, Dear Maurice,

On behalf of Huawei Technologies Co., Ltd., a CCSA member, we are pleased to nominate Dr. Frank Mademann for the position of the 3GPP SA2 Working Group Chairman in the election during 3GPP SA2#121 in May 2017.

Frank started his career with research and development on GSM circuit switched data services in 1991. This was also his initial work in ETSI SMG, which changed with the begin of standardization for GPRS. Since then he was involved in design and definition of all packet domain architectures and services that were specified by SMG and 3GPP. This includes GPRS from the very beginning as well as the packet domains of UMTS and LTE/SAE.

Frank has been working in the telecom and mobile industries for more than twenty-five years. He has been actively involved in 3GPP SA2 since 1999. Frank is recognized as a key contributor to technical aspects of all packet domain architectures that were specified by SMG and 3GPP and also as contributing to leadership and organizational matters of 3GPP SA2. He has proven to fulfill leadership positions impartially and efficiently during holding the SA2 Vice Chair position from 2005 until 2006 and from 2012 until 2015 and the SA2 Chair position since 2015.

If elected, Frank will act in the best interest of 3GPP community with impartiality and integrity, ensuring the efficient and successful progress of SA2 meetings and any related activities. Frank is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions and shall comply with such laws while acting in his capacity as SA2 WG Chairman.

Huawei will provide all the necessary support and resources to ensure that Frank carries out the responsibilities as a Chairman.

Yours sincerely,

Wan Lei
