April 30th, 2020

Nomination of Dr. Tao Sun for 3GPP SA WG2 Vice Chairman

Dear Madam/Sir,

As an indication of continued commitment to 3GPP, China Mobile Communications Corporation (CMCC, as CCSA member) is pleased to nominate Dr. Tao Sun as candidate for the 3GPP SA WG2 Vice Chairman election taking place in May, 2021, SA2#145E.

Dr. Sun has contributed in Mobile Network Architecture domain for more than ten years. Besides 3GPP, Dr. Sun also involved in many activities in SDOs/Organizations such as IETF, NGMN, GSMA etc. He demonstrated excellent coordination skills when cooperated with industry partners for the technologies be introduced in standard and in the production network. From 2019 May, Dr. Sun serve as Vice Chair of SA2. His contribution to the group received very positive feedback from SA2 attendees. We are proud of this.

CMCC is fully committed to provide necessary resource to support Dr. Tao Sun as candidate of 3GPP SA WG2 Vice Chairman.

Tao Sun is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions, and that he shall comply with such laws while acting in his capacity as 3GPP SA WG2 Vice Chairman.

Yours Sincerely,

Xiaodong Duan
Deputy General Manager, China Mobile Research Institute

Brief Curriculum Vitae of Tao Sun:

Tao is a Principle Researcher in the Department of Network and IT Technology, at China Mobile Research Institute (CMRI). His responsibilities include leading the research and standardization of the mobile network, and IP network architecture and service evolution.

Tao got Bachelor degree on Automation in 2003, and Ph.D. degree on Control Science and Engineering in 2008, both from Tsinghua University, China.

Tao joined CMRI since 2008. He worked as China Mobile 3GPP SA2 delegate as an active contributor since 2009. He thus has 10 years of rich experience in 3GPP. He has served as (co-)Rapporteurs of several 3GPP SA2 Study/Work items-LIPA/SIPTO, IPv6 Migration, FMSS, NextGen, 5GS_Ph1 and eSBA. All these SI/WI are completed on time.

He act as the Vice Chair of SA2 since May, 2019. He Chairs the SA2 parallel sessions during F2F meetings and also chairs the Agenda Items during e-meetings.

Tao is the coordinator of China Mobile delegates in 3GPP SA2 since 2012. He also leads China Mobile 3GPP SA and CT groups since 2018.

He was also involved in activities in other SDOs or Organizations such as IETF, NGMN, GSMA. He co-lead the 5G SBA project in NGMN from 2017.

He also worked actively on 5G standard and activities. He is leading the core network sub-group on Network Technology group in IMT-2020(5G) Promotion group in China. He also involved in China Mobile's enterprise specification and evaluation technologies for adoption in the network.

Currently, Tao act as the lead of Network Innovation Lab, in Department of Network and IT Technology, China Mobile Research Institute. His responsibilities involves promote new technologies such as 5G-Advanced, Network Automation, Next Generation IP and 6G.
