**Nomination of Mr. Rajavelsamy Rajadurai as candidate for Vice-Chairman of 3GPP SA WG3**

Dear Susanna, Mirko and members of TSG SA3 WG,

Samsung is pleased to nominate Mr. Rajavelsamy Rajadurai as a candidate for the upcoming 3GPP SA3 Vice Chairman election in November 2019. He will represent Samsung Electronics Co., Ltd., a member of TTA.

Mr. Rajavelsamy R is an active participant of SA3 meetings regularly for past 15 years (from Rel-6 onwards). He has previously served as the SA3 Vice-Chairman (2007-2009), as well as a rapporteur for several key topics in SA3 WG. With his deep technical knowledge and understanding of how SA3 works best, we can assure you with no hesitation that he will be an excellent candidate for the role of SA3 Vice-Chairman, and the continued success of SA3 WG in the years to come. A brief CV of Mr. Rajavelsamy R. is enclosed for your reference.

Mr. Rajavelsamy Rajadurai is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions, and he shall comply with such laws while acting in his capacity as Vice-Chairman.

Samsung Electronics Co., Ltd., will be the supporting entity and is committed to providing the necessary resources to support Mr. Rajavelsamy Rajadurai to accomplish his duties and responsibilities for this office, if elected.

Yours Sincerely,

Dr. Jin-Kyu Han,

Head of Standard Team,  
Advanced Communications Research Center,  
Samsung Research, Samsung Electronics Co., Ltd.

Position of Candidacy: Vice-Chairman of 3GPP TSG SA3 WG  
Candidate Name: Rajavelsamy Rajadurai  
Individual Member: Samsung Electronics Co., Ltd.  
Organizational Partner: TTA

## **Brief Curriculum Vitae:**

Rjavelsamy Rajadurai received Bachelor of Engineering Degree in Electronics and Communication Engineering and Master of Technology Degree in Computer Science and Engineering.

Rjavelsamy R. joined Samsung Electronics, at its India office in 2003 and has been with its Standards Team, focusing on research and standardization in wireless mobile communications. He has 15+ years of rich experience in Security system architectures, Security protocols, Wireless cellular communications systems and protocols, where he has contributed in research, standardization and alignment of Samsung Telecommunication products with emerging security standards.

Since 2004 (Rel-6), he has been actively involved in the activities of SA3 WG, representing Samsung. He has actively contributed in the following areas: WCDMA, I-WLAN, H(e)NB, LTE, MTC, ProSe, MCX, CAPIF, 5G standardization. He also served as Vice-Chairman of 3GPP SA3 WG (July 2007 to Nov 2009), and played an active role of rapporteur for several very demanding topics (MTC, Application aspects (CAPIF, SEAL), SCAS-UPF, IAB) and sub-topics (5G-Mobility and Steering of Roaming (SoR)).

Rjavelsamy Rajadurai has authored 15+ peer-reviewed papers in international journals and conferences.
