NOMINATION FOR THE POSITION OF 3GPP TSG SA WG 5 CHAIRMAN

Dear Madame/Sir,

Huawei Technologies is pleased to nominate Mr. Christian Toche for a new term of Chairman of the 3GPP TSG SA Working Group 5 (SA5). Huawei Technologies is an individual member of 3GPP via the CCSA Organisational Partner.

You will see from the attached résumé that Christian has over 22 years experience in Telecom Management. He began his participation in SA5 in September 2000 and has been Chairman of SA5 SWG-D from April 2002 to August 2005. He was elected Vice Chairman of SA5 in March 2003 and became Chairman of SA5 in August 2005, and he ensured this responsibility successfully until now.

Christian joined Huawei Technologies in March 2006 and we believe his solid technical background associated to this long experience in SA5 give him the necessary qualities to effectively carry on this Chairman responsibility in the 3GPP for a new term.

If Christian is re-elected Chairman of SA5, Christian will continue acting in the interest of 3GPP participants with impartiality and integrity as he always did.

Huawei Technologies is committed to allocating the necessary resources and support to enable him to accomplish the duties and responsibilities of this position.

Best Regards,

Christian Toche

Candidate for 3GPP TSG SA WG5 Chairman

Christian received an Engineer Diploma in Computer Science in 1983 and has over 22 years experience in the Information Technology and Telecommunications industries.

He joined Cap Gemini in 1985 and worked 4 years on development and testing in the Software Engineering area. He has been involved in Wireless Operation and Maintenance from 1989 when he joined Matra Communication, which became part of Nortel Networks in 1992.

He worked as a team leader on the development of Nortel Networks' GSM OMC-R until 1992. He later became the leader of the OMC-R Architecture team and took charge of the specifications of the Q3 interface in that capacity.

In 1997, he joined the Nortel Networks System team and contributed to the GSM Radio Access Network functional requirements and specifications. In this position, he was later involved in the UMTS studies until 2000.

From 2001, Christian was responsible for OAM Standards and Partnerships within the Nortel Networks Wireless Internet Solutions organization, notably in charge of the development of a 3GPP compliant 3G OAM solution and of the cooperation with Nortel China R&D in Beijing.

From April 2004 to November 2005, Christian was located in Beijing and was focused on China Market specific requirements in addition to his Standards responsibilities.

Christian started participation in 3GPP SA5 in September 2000 and has been actively participating in all SA5 meetings from meeting SA5#14. He has been Chairman of SA5 SWG-D from April 2002 to August 2005. He was elected Vice Chairman of SA5 in March 2003 and became Chairman of SA5 in August 2005, and he ensured this responsibility successfully until now.

Christian was also Rapporteur of the Measurement Definition RG and the Trace Management RG.

Christian joined Huawei Technologies in March 2006. He was confirmed Chairman of SA5 in May 2006 and was elected for a third term in August 2009. He is working in France with regular stays in China. He is currently leading the Huawei Standards activity in France and is also in charge of Wireless OAM & Charging Standards.
