Subject: Nomination of Ms. Lan Zou as candidate for 3GPP SA5 Vice Chair

Dear Susanna and Mirko,

As an indication of continued and strong commitment to 3GPP, I am pleased to nominate Ms. Lan Zou as a candidate for the upcoming 3GPP TSG SA Working Group 5 (SA5) Vice Chair election in August 2021. Ms. Lan Zou will represent Huawei Technologies Co., Ltd, a member of CCSA.

Ms. Lan Zou has been participating in SA5 work since 2006, and has made significant contributions to the SA5 work. She served as SA5 Vice Chair from August, 2019 until now and demonstrated her leadership capabilities to efficiently progress the SA5 work in an impartial manner. She was also nominated as SA5 converged management sub-working group Vice Chair in 2013. Ms. Lan Zou is always an active contributor cooperating with other industry groups and sharing 3GPP management related work progress to external organizations, including autonomous networks, network slicing, etc.

We have full confidence that, if elected, Ms. Lan Zou will continue to carry out her duties in a fair and efficient manner with her strong technical background and leadership skills. Ms. Lan Zou has received all the necessary trainings on antitrust/competition laws and regulations of relevant jurisdictions, and will comply with such laws while acting in her capacity as 3GPP SA5 Vice Chair.

Huawei will provide all necessary support to ensure that Ms. Lan Zou accomplishes her duties and responsibilities as 3GPP SA5 Vice Chair if elected.

Best Regards,

Zukang Shen
Head of Wireless Standards
Huawei Technologies Co., Ltd.

Curriculum Vitae of Ms. Lan Zou

SUMMARY

Ms. Lan Zou is responsible for all relevant OSS standards in Huawei. She has more than 22 years' experience in the mobile network management industry, including around 14 years' involvement to network management related standards. Ms. Lan Zou has actively participated many management related standard groups and industry forums including 3GPP SA5, ETSI, TM Forum, ITU-T, NGMN, WiMAX, IEEE and CCSA. She received the 3GPP excellence award in 2017 for actively contribution to 3GPP SA5 work.

EXPERIENCE

Ms. Lan Zou has been participating in SA5 work since 2006, and has made significant contributions to SA5 work. She has been rapporteur of 14 work items or study items from Release 8, currently she is the co-rapporteur of Rel-17 Study on Enhancement of service-based management architecture in SA5. She served as SA5 Vice Chair from August, 2019 until now and demonstrated her leadership capabilities to efficiently progress the SA5 work in an impartial manner. She chaired sessions covering many features such as autonomous network levels (ANL), intent-driven management (IDMS_MN), self-organizing networks (eSON_5G), energy efficiency (EE5GPLUS), management data analytics (eMDAS) to ensure their successful completion and guarantee good progresses.
