Subject: Nomination of candidate for the 3GPP TSG SA WG6 Chairman

Dear Mr Mattsson and Ms Kooistra:

I am pleased to inform you that Qualcomm Incorporated, through its ATIS 3GPP affiliation, is nominating Alan Soloway as candidate for the position of 3GPP TSG SA WG6 Chairman at the upcoming election in SA6#47-e.

Alan is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions, and if elected, he will comply with such laws while acting in his capacity as TSG SA WG6 Chairman.

In proposing Alan for the position of 3GPP TSG SA WG6 Chairman, Qualcomm will fully support him in the role. Qualcomm remains fully committed to the success of 3GPP and its diverse ecosystem.

A brief curriculum vitae of Alan is attached.

Best Regards,

Dr. Edward G. Tiedemann, Jr.  
Senior Vice-President, Engineering  
Qualcomm Technologies, Inc.

## **Alan Soloway**

Alan Soloway received a B.S.E. degree in Computer, Information and Engineering Sciences from the University of Florida (Gainesville) in 1986 followed by additional studies towards an MBA at Florida Atlantic University (Boca Raton).

After 9 years in industry, Alan joined Qualcomm in 1995. His assignments included CDMA Base-station development, Globalstar User Terminal development/testing and UMTS physical and protocol layer development/testing as well as course development for external training. From 2004 until 2008, Alan was seconded to the European team to assist the deployment of UMTS interacting with network equipment providers, customers and mobile network operators.

After his return from Europe, Alan has worked with the Qualcomm Standards and Industry Organization team. His efforts include activities in USB-IF, ETSI, the Open Mobile Alliance (OMA), the Open Connectivity Foundation (OCF) and 3GPP. Alan has been active as a participant and held leadership positions for multiple organizations including the SA6 Vice-Chair position since 2018.
