Dear 3GPP Heads of Delegation:

As 3GPP2 Heads of Delegation, we applaud both Partnership Projects for endorsing the findings of the April 2002 Core Network Harmonization workshop, and the efforts of the Technical Specification Groups of both Partnership Projects related to core network harmonization.

3GPP2 has been targeting its core network harmonization efforts by considering both 3GPP's Release 5 and Release 6 output. To that end, as joint Organizational Partners (OP's) of 3GPP2, we request copyright permission from you, the joint OP's of 3GPP, to reproduce and use material from 3GPP Release 5 within the documentation created by 3GPP2, and within the transposed and copyrighted standards of the 3GPP2 OP's. 3GPP2 has identified the core network harmonization-related documents listed in 3GPP TS 21.103 V5.0.0 as candidate documents for which this permission is being sought. Permission to reproduce any additional documents will be sought as the need arises.

Assuming that this request meets with your approval, please indicate how you would like to evidence the formal copyright permission (i.e., exchange of letter signed by OP's, or other means).

Sincerely,

Mr. Yoshihide Ishida - ARIB Head of Delegation
Mr. Wan Yi - CWTS Head of Delegation
Ms. Cheryl Blum - TIA Head of Delegation
Dr. Jin Sung Choi - TTA Head of Delegation
Mr. Nobihuro Horisaki - TTC Head of Delegation
