The attached correspondence concerning Copyright Release has been received from 3GPP2 and is provided to this meeting for decision.

March, 2004

**TO:**

ARIB, ATIS, CCSA, ETSI, TTA, TTC Heads of Delegation for 3GPP

Dear 3GPP Heads of Delegation:

It was back in September of 2002 that 3GPP2 sought your permission to reproduce and use 3GPP Release 5 documentation within 3GPP2 core network harmonization efforts. 3GPP2 sincerely appreciates the opportunity provided by the permission you afforded us.

At this time, we, the 3GPP2 Organizational Partner (OP) Heads of Delegation, are seeking permission from you, the OP's of 3GPP, to reproduce and use material from 3GPP Release 6 within the documentation created by 3GPP2, and within the transposed and copyrighted standards of the 3GPP2 OP's.

Assuming that this request meets with your approval, please indicate how you would like to evidence the formal copyright permission (i.e., exchange of letter signed by OP's, or other means).

Sincerely,

Mr. Akira Matsunaga - ARIB Head of Delegation  
Mr. Wan Yi - CCSA Head of Delegation  
Ms. Cheryl Blum - TIA Head of Delegation  
Dr. Jin Sung Choi - TTA Head of Delegation  
Mr. Nobuhiro Horisaki - TTC Head of Delegation
