## GETTING TO TURIN

CSELT Headquarters are located in North Turin.

### Arriving by air....

From **Caselle** airport to CSELT: CSELT can be reached directly by taxi (approx 20 minutes). The fare is around L.45.000 (30 US\$).

From **Caselle** airport to Turin downtown: taxi or bus service from Caselle Airport to the centre of the town (the airbus terminal is very close to Porta Nuova railway station). The trip takes about 40 minutes.

### Arriving by train....

Railways connections in the easterly (Milan, Venice) and southerly (Genoa, Florence, Rome, Naples) directions. Direct international connections with France.

Trains arrive at Porta Nuova and Porta Susa railway stations. The Porta Susa is the closest one to CSELT; Porta Nuova is the closest to most of the hotels. From both Porta Susa and Porta Nuova you can reach CSELT by bus or by taxi.

### Arriving by car....

Turin is connected to the Italian Highways system. Approximately 2 hours drive from France (Mont Blanc Tunnel) and Switzerland (St. Bernard Tunnel); 1 and a half hour from Milan and Genoa.

CSELT is located on the outskirts of Turin near the ring motorway exit of "Borgaro" (the Italian name for the ring motorway is Tangenziale).

Parking may be a problem in Turin although there are a number of parking facilities in downtown and close to the major hotels. Please note that in the city centre there is a "Blue Zone" with restricted circulation.

### How to get to CSELT's Headquarters from the city centre:

**By Taxi:** The trip takes approx 20 minutes and cost around L.25.000.

**By Bus:** In August there is no direct bus service from the city center to CSELT. Therefore it is more convenient to get a taxi.
