Hi Mike,

Can you please let me know your decision as soon as you can (by the end of the SA3 meeting (Feb 28) latest, so we can make changes to the contract if needed.

Regards, Stephen

Subject: SA3 meeting with CN WGs in April

Hi Mike, Hannu, and Ian

I have noted on the mailing lists and through internal discussions that there is currently a lot of discussion still in SA3 on 33.203. This translates to confusion in CN1 and CN4.

I think it would be useful to have a SA3 meeting or have a group of SA3 experts join us for our April CN WG meetings. The meetings are being held in Ft. Lauderdale, US from April 8-12. This would give an opportunity for joint

discussions to clear up some of these areas. Otherwise I am afraid that a June completion of the CN stage 3's is in jeopardy. I am pretty sure that we can extend the contract to accomodate SA3 also.

Please let me know if this is something that you would be interested in.

Regards, Stephen
