                         Title: H.264/AVC codec donation - Licensing Statement

Document for: **Information**

Agenda Item: **14.1**

Informally, Nokia has offered to donate our H.264 video codec codebase.

Attached Nokia's licensing/copyright/warranty statement that will be included in all source files of the H.264/AVC codec. The codec will be made available over the coming weekend, and the download URL will be announced on the SA4 meeting reflector.
