COVID19 measures

Use of face masks:

- Measures set at the beginning of this year in Greece required the mandatory use of face masks in public transportation as well as in hospitals/diagnostic centres/clinics. Those measures are applicable until the end of February 2023 however, as the measures are about to be removed, there is now quite some relaxation when it comes to their enforcement. As a result, it should not come as a surprise if you notice people not wearing face masks in the metro/trams etc.

Transportation

- Info on **public transportation** from the airport: [Athens International Airport - Public transportation \(aia.gr\)](https://aia.gr).
- Info on **fixed price taxi** from the airport: [Athens International Airport - Taxi & limousine \(aia.gr\)](https://aia.gr).
- Probably the most convenient way to get around in Athens with a taxi is to use one of the known apps like **Uber** or **FreeNow**. That guaranties that regardless of how short your trip is, you will always get a receipt at the end of it.

Location info

- The area around the hotel might not have many dinner options, however the hotel is quite close to the city centre.
- The closest metro station is called “**Syngrou-Fix**” and according to googlemaps it is 650m from the meeting hotel. From the metro station “Syngrou-Fix” the following 2 stops are “Acropolis” and “Syntagma square”.
 - o **Acropolis metro station:** is next to the Acropolis museum and ...the Acropolis. That is also the metro station to get off to go out for dinner in the areas of **Koukaki** or **Plaka (old town)**. This station is 1.4Km from the meeting hotel.
 - o **Syntagma square (constitution square) metro station:** could be considered as the centre of Athens, it is located just opposite the parliament and next to the national garden. There are loads of restaurant and bar options around . That is also the area to find a number of Asian restaurants. This station is 2.3Km from the meeting hotel.

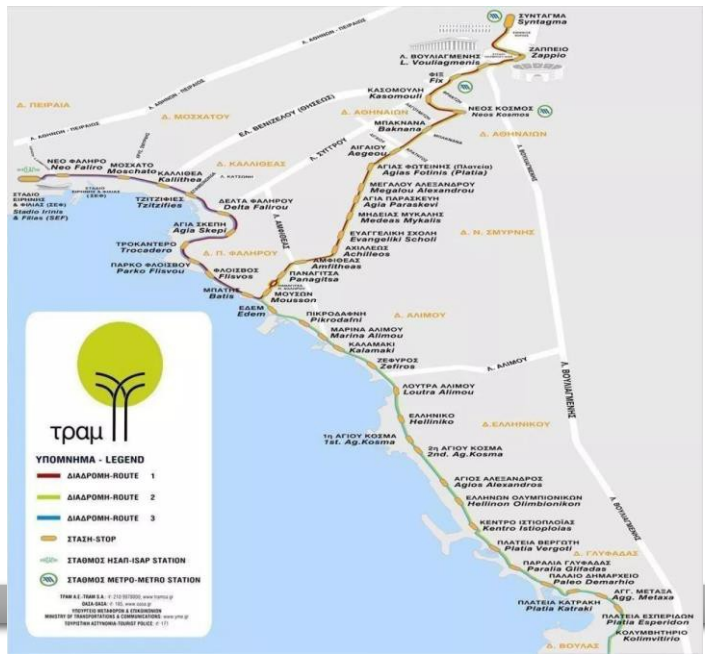

SA1and RAN WGs are here

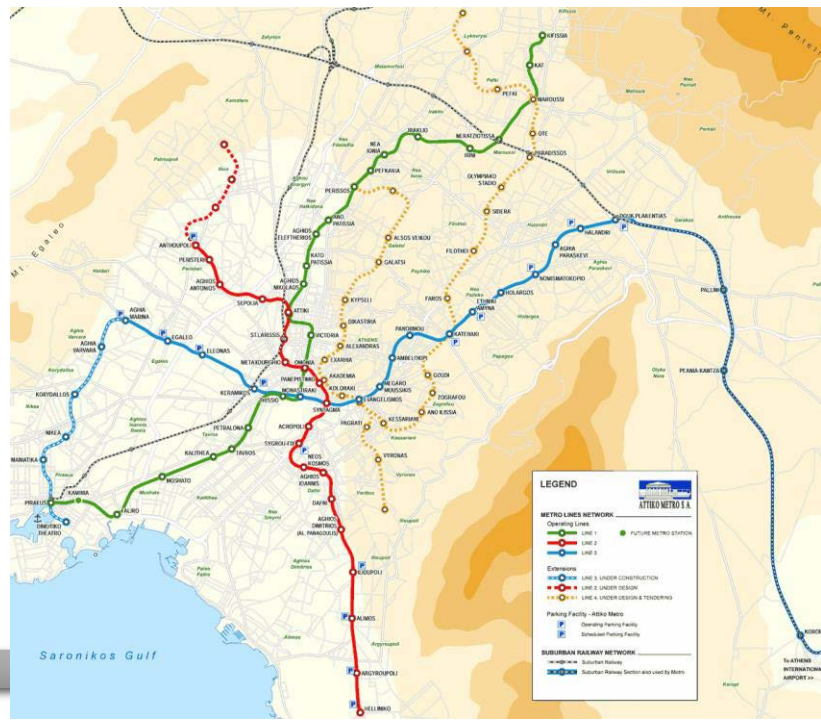

SA & CT WGs(500m from Intercontinental)

Tram: “Neos Kosmos” is the closest stop (650m from the hotel) and it takes 11’/5 stops to get to the centre “Syntagma square” which is also the end of the line.

Metro: The closest metro station is called “Syngrou-Fix” (650m from the meeting hotel). From the metro station “Syngrou-Fix” the following 2 stops are “Acropolis” (1.4Km from the hotel) and Syntagma square (constitution square) (2.3Km from the hotel)
