Title: Work items inherited by TSG-N WG2 from SMG3 WP'B & WP'C'

This contribution lists the work **items** (as distinct from work **areas**) which are currently the responsibility of SMG3 WP'B' and SMG3 WP'C' and which are expected to become the responsibility of TSG-N WG2. TSG-N are asked to confirm their acceptance of this list. It is understood that the agreement of SMG to the transfer of these work items is still an open issue.

The work items expected to be inherited from SMG3 WP'B' are:

- Multiple Subscriber Profile, phase 2;
- Follow Me;
- USSD enhancements;
- CNAP.

The work item expected to be inherited from SMG3 WP'C' is:

- CAMEL phase 3.
