**Release 1999 Submission form**

|  |               |   |   |                              |                 |
|--|---------------|---|---|------------------------------|-----------------|
| <b>Work Area / Item:</b>                             |               | <b>Delayed activation at Radio Link establishment</b> |   |                              |                 |
| <b>Affects:</b>                                      | <b>UE/MS:</b> | <b>CN:</b>  | <b>UTRAN: X</b>   | <b>Compatibility Issues:</b> | <b>Yes: No:</b> |
| <b>Expected Completion Date:</b>                     |               | 3/2000  |   |                              |                 |
| <b>Services impacted:</b>                            |               | Services mapped to DCH.                               |   |                              |                 |
| <b>Specifications affected:</b>                      |               | 25.423, 25.433  |   |                              |                 |
| <b>Tasks within work which are not complete:</b>     |               |   | A proposal exists in RAN WG3 but has not been agreed.   |                              |                 |
| <b>Consequences if not included in Release 1999:</b> |               |   | Possible problem at soft handover for high data rate users (disturbance from new cell before radio link has been added to the UE active set). |                              |                 |
| <b>Accepted by TSG#</b>                              |               | <b>for late inclusion in Release 1999:</b>            |   |                              |                 |
