Attachments: None

1. Overall Description:

SA1 would like to thank SA2 for the report on the applicability of GALILEO in LCS. SA1 LCS sub-working group has seen the TR.

SA1 envisages that no changes are required to TS 22.071 for assisted GALILEO, except for addition of new terminology. SA1 believes that such changes will be beyond Rel-6.

2. Actions:

none

3. Date of Next SA1 Meeting:

SA1#22 SWG	25 th August – 29 th August 2003	Sweden
SA1#22	27 th October – 31 st October 2003	Asia
