<b>Tasks within work which are not complete:</b>			- Performance requirements			
<b>Consequences if not included in Release 6:</b>			Radio performance requirements for MBMS are incomplete			
<b>Accepted by TSG#28</b>		<b>for late inclusion in Release 6:</b>				

---

**Abstract of document:**

The specification of radio performance requirements for MBMS is an important part of the MBMS feature. While the other MBMS work items related to RAN1, RAN2 and RAN3 have been finalised, there is some work remaining to be done in RAN WG4 on finalising the MBMS radio performance requirements until September 2005.

---

**Contentious Issues:**

None.
