

Candidature for SA Barkeeper

Dear SA colleagues

Thierry Bérisset
SA1 Asset Tracking Rapporteur
tberisot@novamint.com

I know I am not a chairman and this candidacy is a bit disruptive but who else than a French person who knows his wines and the best accompaniments (French Cheese of course) can be the best suited to handle the bar during the celebration at the first post-pandemic SA face-to-face meeting.

As you can see, I have already selected and tested the appropriate wine to evacuate this bad time and finally enjoy the good side of “coronas”.

However, do not worry, alcohol is to be shared between friends and to be enjoyed in moderation of course. So, I promise it will not make you sick as I will have always in mind your best interest with the objective to keep you all happy and verticals.

Sincèrement
A la votre
Thierry
