Subject: Nomination for 3GPP SA#90-e Test Elections

Dear Ms. Kooistra,

We are proud to nominate Mr. Suresh Chitturi for the upcoming 3GPP SA#90-e Test Elections i.e. post-pandemic party “officials” election.

With everything we know about Mr. Chitturi, we believe he has all the qualifications to be your most eligible barkeeper, and without any hesitation, we would like to nominate him to the position of the “Barkeeper” at the much awaited post-pandemic 3GPP party that he and the entire 3GPP community deserves!

You guys deserve a BIG party, and we hope you continue the great job you are doing!

Sincerely,

The CHITTURI Family

PS: Please stay within your limits, and remember to take some great pictures!
