### **Supporting letter for Magnif-Heiko**

Dear Mr. Kymalainen

My Company as a full member of ETSI is committed to the DJ work of 3GPP and is therefore pleased to support the candidature of Magnif-Heiko for the position of the DJ for the first face-to-face meeting after the Covid-19 pandemic

Since 1997 Magnif-Heiko is known as the loudest standardization DJ in various standardization bodies, including especially 3GPP. With his long experience and his dedication to music we are sure he can rock the party.

With best regards  
My Company

Max the Loudest
