Dear 3GPP colleagues,

I would feel honored to handle the bar during the celebration at the first post-pandemic SA face-to-face meeting.

Under my leadership, drinks will always be FREE. We will have wide variety of drinks ... if we can't find a drink of your choice, then you will get a pre-approved TDoc# to write any contribution !!

We have [Special Thor Beer Mugs](#) that never go empty, Courtesy of Dr. Strange ... drink till you drop!!

Cheers!
Puneet
