

# Candidature for SA Barkeeper

Noamen Ben Henda

Dear voters,

I would feel honored to handle the bar during the celebration at the first post-pandemic SA face-to-face meeting.

I will make sure that drinks are available at fair and reasonable prices to everyone. I will handle the bar with integrity, impartiality and in the interest of whoever attends the bar. I will ensure there is a wide range of beverages (alcoholic and non-alcoholic), snacks and whenever possible food (vegetarian and non-vegetarian) to meet the needs of everyone. I will also propose introducing live music because why not? Let's make the bar great again!

**Warning: Seriously, drinking alcoholic beverages (and smoking) is bad for your health!**

Best regards,  
Noamen
