 - 9.2 **For S3 plenary, 21-24 May**
- 10 **AoB**
- 11 **Closing of the meeting (18:00)**

Meeting objectives:

- The primary objective is to make technical progress on authentication and protection mechanisms for access security. The goal is to agree on working assumptions so that a stable Stage 2 specification can be presented to the S3 plenary 21-24 May.
- A secondary objective is to make technical progress on security mode setup and to discuss other technical issues related to IM CN SS.

- A third objective is to identify issues that need clarification from S2
