3GPP SA4 #121

Face to face (sometimes mask to mask) meeting

2022 Nov. 17th

What are the 7 days of creation?

- 1st Day: **Earth** was created as a unique place in the universe where scientist found a way to charge smartphones with urine...
- 2nd Day: someone on Earth created **Standards** with the aim to ease everyone's life

What are the 7 days of creation?

- 3rd Day: Someone in Standards created **3GPP** because wired connectivity is not smart

- 4th Day: Someone in 3GPP created **SA4** to isolate a gang of delegates for who entertainment is not only a 5G use case but a philosophy of life.

What are the 7 days of creation?

- 5th Day: Some people in SA4 created **HTTP Adaptive Streaming** for spreading entertainment anytime, anywhere and on any device and adapt to anyone's capabilities...

- 6th Day: well...

What are the 7 days of creation?

- 6th Day: SA4 delegates took some well-deserved rest

What are the 7 days of creation?

- 7th Day:

A highly secret council of wise experts decided to recognize the outstanding contribution of 3GPP SA4 for the Television industry with a Tech Emmy award!!!

On the following days

- We had to prepare for the ceremony!!!
 - ✓ Prepare the trip to Vegas
 - ✓ Send out invitations
 - ✓ Get dressed correctly
 - ✓ Prepare the acceptance speech
 - ✓ And, and, and...

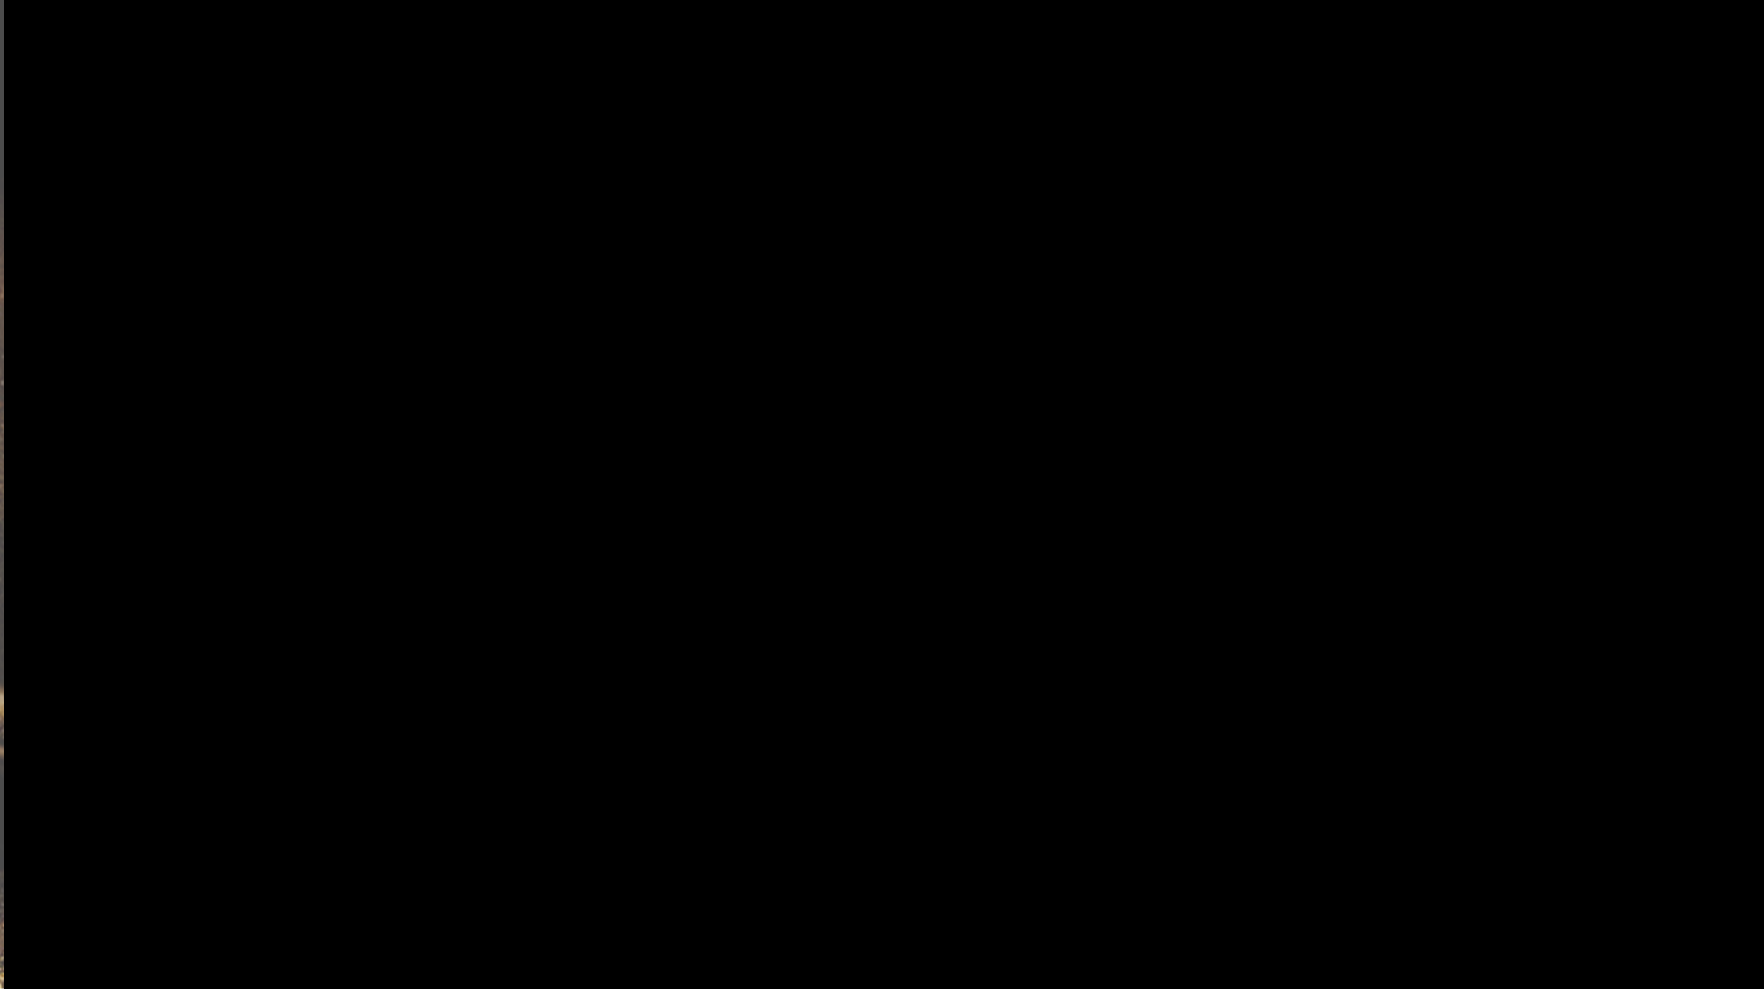

There was the day!!

73RD ANNUAL
TECHNOLOGY
& ENGINEERING
EMMYS

There was the day!!

After the stress... the fun...

So, we wanted to share this moment...

- With 3GPP plenary

- With DASH-IF

- During Qualcomm workshop

**And now...
it's finally your turn!!**

- **The SA4 leadership is delighted to share this moment with you**

Thank you!
