[Intro]
G C6add9

[Guitar Solo 1]
G C6add9 G C6add9

[Verse 1]
G   C6add9
Gravity is working against me
**   G   C6add9**
And gravity wants to bring me down

[Chorus]
**   Am7**
Oh I'll never know what makes this man
**   D7**
With all the love that his heart can stand
Gm/Bb   D#maj7
Dream of ways to throw it all away

[Verse 2]
D7   G   C6add9
  Oh, gravity is working against me
**   G   C6add9**
And gravity wants to bring me down

[Chorus]
**   Am7**
Oh twice as much ain't twice as good

**   D7**
And can't sustain like one half could

```
          Gm/Bb
It's wanting more
                 D#maj7              D7
That's gonna send  me to my knees

[Guitar Solo 2]
G C6add9 G C6add9

[Chorus]
        Am7
Oh twice as much ain't twice as good
        D7
And can't sustain like one half could
        Gm/Bb
It's wanting more
                 D#maj7
That's gonna send  me to my knees

[Verse 3]
D7    G                         C6add9
   Oh gravity, stay the hell away    from me
      G                         C6add9
Oh gravity has taken better men       than me
How can I could
                              G
Just keep me where the light is

[Outro]
                     C6add9
Just keep me where the light is
                          G
Just keep me where r the light is
                     C6add9
C'mon keep me where the light is
                     G
C'mon keep me where the light is

[Outro (Fade Out)]
                 C6add9                      G
C'mon keep me where keep  me where the light is
