Suzanna Kooistra and Paolo Usai,

ETSI MCC,

06921 Sophia Antipolis,

CEDEX,

France.

Dear Ms Kooistra and Mr Usai,

On behalf of Vodafone Group PLC, I write to confirm the support of Vodafone for the nomination of Mr Edward Hall for the post of vice chairman of 3GPP TSG-SA WG4. A short curriculum vitae for Mr Hall is attached. If re-elected, Vodafone will ensure that Edward has the necessary time and support to perform his duties.

Vodafone Group PLC is an individual member of the 3GPP, and a member of ETSI.

Yours sincerely,

A handwritten signature in black ink that reads "John Boggis".

John Boggis

Head of Standardisation

Vodafone Group Services

CURRICULUM VITAE FOR EDWARD HALL

Edward joined Vodafone in 2002. He currently works in the Standards team of the Vodafone Group R&D department and has been involved in Standardisation since shortly after joining Vodafone. Edward has been an active participant in the 3GPP codec group SA4 since 2004. He is currently vice chair of 3GPP SA4 and chairs the SA4 MBS sub-working group. Edward also attends the OMA and is the chair of the OMA MCE group.

Edward graduated from Bristol University, UK, with a Bachelor's degree in Electronic and Communications Engineering.
