Subject: Candidacy of Mr. Peter Leis as Chair of 3GPP TSG CT WG1

Dear Ms. Kooistra, Dear Mr. Firmin,

On behalf of Nokia, I am pleased to nominate Mr. Peter Leis as candidate for the 3GPP TSG CT WG1 Chair elections to be held during the CT WG1 meeting#129-e electronic meeting. Peter represents Nokia Germany, an ETSI member.

In September 2002 Peter has started to participate in 3GPP TSG CT WG1 and has been elected as a CT WG1 Vice Chair in August 2015. In April 2019 Peter has been elected as CT WG1 Chair and has shown the ability to lead CT WG1 standardization work.

Peter is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions. If elected, he will comply with such laws while acting in his capacity as 3GPP TSG CT WG 1 Chair.

As an indication of strong sustained commitment to 3GPP, Nokia will provide all necessary support and resources to Peter to allow him to fulfil his role as the 3GPP TSG CT WG 1 Chair if elected.

Yours sincerely,

Simone Redana – Head of Architecture and Management, Nokia

## **Brief CV of Mr. Peter Leis**

Peter received a B.Sc. Degree in Electrical Engineering in 1991 from Munich University of Applied Sciences.

Peter has started his professional career at Siemens AG in 1992. He has held different positions in Siemens, Nokia Networks and Nokia including software engineer, system architect and senior specialist standardization. Peter currently leads a core network standardization team.

Peter has been actively participating in 3GPP TSG CT WG 1 since September 2002 where he also served as a CT WG1 Vice Chair from August 2015 to April 2019. In April 2019 Peter has been elected as CT WG1 Chair.

In addition to his activities in 3GPP TSG CT WG1 Peter attends 3GPP TSG CT.
