NOMINATION FOR THE POSITION OF 3GPP CT1 CHAIRMAN

Dear Sir / Madam,

As indication of strong continued commitment to 3GPP, Huawei re-nominates Mr. Georg Mayer as candidate for 3GPP TSG CT WG1 Chairman election (as a member of CCSA) in May 2013.

Georg was born in 1970 in Miesbach, Germany. He graduated from Fachhochschule Rosenheim with a diploma (B.Sc.) in technical computer science in June 1995.

Georg has 19 years of experience in the field of telecommunication and is working since 2001 in the area of mobile communication and voice over IP. Georg has broad experience working as a design and testing engineer, system architect, project manager, team lead and standards expert. He is currently working as Senior Standards Manger for Huawei.

Since 1998, he was active in different standardization areas and bodies, such as ECMA, ITU-T, IETF, ETSI and 3GPP. He was Chairman of ECMA TC32 TG14 for two years (2000 till 2002).

From May 2001 to present, he has actively participated in the 3GPP TSG CT WG1 with a main focus on the IP Multimedia Subsystem (IMS). He was rapporteur of several Work Items and Technical Specifications including IMS conferencing, IMS messaging and enhanced IUT. From August 2005 till August 2009 he served CT WG1 as the Vice-Chairman and as of May 2011 to present serving CT WG1 as Chairman.

Huawei will continue to provide all necessary support and resources to Georg to allow him to continue his role as the 3GPP CT WG1 Chairman.

Best Regards,
