

CANDIDATE FOR THE POSITION OF 3GPP TSG CT WG3 VICE CHAIRMAN

Dear Colleagues,

Ericsson is pleased to nominate **Susana FERNANDEZ** (representing Ericsson, via ETSI) for the position as vice chairman of the 3GPP TSG CT WG3 (Interworking with External Networks).

Susana FERNANDEZ graduated from the Polytechnic University of Madrid, Department of Telecommunication Engineering in 1995.

From 1995 until 2008 Susana FERNANDEZ has held various positions in Ericsson within R&D. During this time, she worked with products for User Management, Security, Addressing, Network Interworking and Policy Control related to different standards and accesses.

In 2008, Susana FERNANDEZ joined the Ericsson delegation in 3GPP CT3. In 2009 she became the Ericsson main delegate in the Packet Core Networks area.

Ericsson is committed to the 3GPP standardization work and will give the support and the resources necessary for Susana FERNANDEZ to pursue the 3GPP CT3 vice chairman activities successfully.

Yours sincerely,
Katarina Blomquist

Packet Core Standardization Manager
ERICSSON
