

## CANDIDATE FOR THE POSITION OF 3GPP TSG CT WG3 CHAIRMAN

Dear Colleagues,

Ericsson is pleased to nominate **Susana FERNANDEZ** as candidate for the position as chairman of the 3GPP TSG CT WG3 (Interworking with External Networks).

Susana FERNANDEZ graduated from the Polytechnic University of Madrid, Department of Telecommunication Engineering in 1995.

From 1995 until 2008 she has held various positions in Ericsson within R&D. During this time, she worked with products for User Management, Security, Addressing, Network Interworking and Policy Control related to different standards and accesses.

In 2008, Susana FERNANDEZ joined the Ericsson delegation in 3GPP CT3. In 2009, she became the Ericsson main delegate in the Packet Core Networks area.

In 2013, she became the Ericsson CT3 coordinator and was elected as Vice Chair of 3GPP CT3 WG. She has participated actively in all the related standardization activities for the Working Group.

Ericsson is committed to the 3GPP standardization work and will give the full support and resources necessary for Susana FERNANDEZ to fulfill the duties and responsibilities required as 3GPP CT3 Chair. Susana FERNANDEZ is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions. She will comply with such laws while acting in her capacity as TSG CT WG 3 Chair.

Susana FERNANDEZ represents the Individual Member "Ericsson LM" and the Project Partner "ETSI".

Yours sincerely,

Krister Sällberg,

Director, Head of Telecom Standardization  
ERICSSON
