Letter of support and nomination for 3GPP TSG CT WG3 Chair candidature

Dear Ms. Kooistra and Mr. Kymäläinen,

As an indication of strong continued commitment to 3GPP, on behalf of Huawei Technologies Co., Ltd., through CCSA, we are pleased to nominate Dr. Yali Yan as a candidate for the position of 3GPP TSG CT WG3 Chair in the elections taking place at 3GPP CT3#117e in August 2021.

Yali has regularly been attending 3GPP CT WG3 since 2016 and played a significant role as a key contributor in several areas and technologies (including EPS and 5GS) in CT WG3. She has held many technical rapporteurship positions during her participation in CT WG3.

Yali graduated from the Department of Electronic Engineering with a Ph.D. in Xidian University in Xi'an, China and studied for two years as a Visiting Scholar in the Department of Electronic and Computer Engineering in University of Illinois Urbana-Champaign in Illinois, USA. Since she joined Huawei in 2015, she has worked on a number of assignments in the wireless communication area with extensive experience in LTE and 5G research, product development, R&D and 3GPP standardization. Yali is currently leading several research projects and the lead delegate for Huawei in CT WG3.

If elected, Yali will act in the best interest of 3GPP community with impartiality and integrity, ensuring the efficient and successful progress of CT WG3 meetings and any related activities. Yali is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions and shall comply with such laws while acting in her capacity as CT3 WG Chair.

Huawei will provide all the necessary support and resources to ensure that Yali accomplish the duties and responsibilities as the Chair of CT3 Working Group, if elected.

Yours sincerely,

A handwritten signature in black ink that reads "Weiwei Yang".

Weiwei Yang (Tommy)
Head of Cloud Core Network NFV Research Department
Huawei Technologies Co., Ltd.

Brief CV of Dr. Yali Yan
