Nomination of Mr. Yue Song for 3GPP CT WG4 Vice Chairman

Dear Madam/Sir,

As an indication of continued commitment to 3GPP, China Mobile Communications Group Co., Ltd. (CMCC, as CCSA member) is pleased to nominate Mr. Yue Song as candidate for the 3GPP CT WG4 Vice Chairman election taking place in November, 2018.

Mr. Song is a well known technology expert in Core Network domain. At the beginning of 2010, Mr. Song joined China Mobile Communications Group Co., Ltd. and has been attending 3GPP CT working group meetings since 2013. From 2013, he has spent 6 years working on 3GPP standardization and LTE field network, ranging from IMS, SIP, 5G SBA, user data and cooperative networking among 2G&3G&4G. He has also made substantial contributions to the CT4 community since.

Currently Mr. Song is also the project manager of department of network and IT technology of CMCC, where he has also demonstrated excellent coordination skills during the procedure of industry promotion.

For your information, Mr. Song's Curriculum Vitae is attached here for your reference.

CMCC is fully committed to support Mr. Yue Song as a candidate of 3GPP CT WG4 Vice Chairman.

Yue Song is informed about and aware of the antitrust/competition laws and regulations of relevant jurisdictions, and that he shall comply with such laws while acting in his capacity as 3GPP CT WG4 Vice Chairman.

Best regards,

A handwritten signature in black ink, appearing to be the name "Yue Song" in Chinese characters.

Project Manager, China Mobile Research Institute

Brief CV of Mr. Yue Song

+8613910593416, songyue@chinamobile.com 32 Xuanwumen West Street, Beijing 100053, China
