Subject: Nomination of Candidate for 3GPP TSG GERAN Chairman

Ericsson is delighted to announce the nomination of Mr. Olof Liberg as a candidate for the Chairmanship of 3GPP TSG GERAN. Olof is representing Ericsson, a member of ETSI.

Olof graduated 2005 from Uppsala University (Sweden) with a Master of Science in Engineering Physics and also holds a Bachelor degree in Business and Economics. He has been working for Ericsson in Sweden since 2008.

Olof has mainly been working with development and standardization of the GSM/EDGE Radio Access Network and actively contributed to the progress of various study and work items such as MUROS, VAMOS, SPEED, MCBTS/MSR, MRLA and DMCG. In addition, Olof is also the current 3GPP TSG GERAN WG1 chairman.

Ericsson is fully committed to support Olof in his tasks as the Chairman of 3GPP TSG GERAN.

INTRODUCTION

I have since 2008 been working with development and standardization of the GSM/EDGE Radio Access Network and gained experience in radio and baseband technology and its practical application in GSM base station systems. I have during the last years participated as a delegate in 3GPP GERAN WG1 and ETSI TC MSG standardization committees. In GERAN I have over the years actively contributed to the progress of various study and work items such as MUROS, VAMOS, SPEED, MCBTS/MSR, MRLA and DMCG. I am currently holding the position as 3GPP GERAN WG1 chairman.

WORK EXPERIENCE

2008 - **Telefon AB LM Ericsson, Sweden**
Representing Ericsson in the Third Generation Partnership Project as a delegate in and chairman of the GSM/EDGE Radio Access Network Working Group 1, **3GPP GERAN WG1**, being responsible for standardization of radio and layer 1 core requirements and test specifications.
Representing Ericsson in the European Telecommunications Standards Institute as a delegate in Technical Committee Mobile Standards Group, **ETSI TC MSG**, working with preparation of Harmonized Standards under the European Commissions R&TTE Directive.

2005 - 2008 **ABB AB, Sweden**

EDUCATION

1997 - 2005 **Master of Science in Engineering Physics, Uppsala University. Sweden**
2003 - 2008 **Bachelor of Science in Business and Economics, Uppsala University**

LANGUAGE

Swedish: Native proficiency

English: Full professional proficiency.
